Dear Dr. Torres González:

In recent years, much illegal use has been made of UPR facilities by sundry “fringe” organizations. Indeed, one such group has used UPR facilities to offer a “*Diploma in Astrology*”. Such activity is obviously immensely damaging to the good name of the UPR and can have serious implications for institutional accreditation.

It has been recently announced that on March 25, 2015, the **Escuela Vladimir Lenin** will be holding a “*Foro*” in Anfiteatro #1 Facultad de Educación UPR-Rio Piedras (see attachment).

According to their propaganda:

“La Escuela Vladimir Lenin, tiene como objetivo la formación ideológica de las y los cuadros revolucionarios de la clase obrera con el fin de fortalecer la conciencia colectiva y los esfuerzos de organización popular que requiere la transformación socialista de la sociedad.”

We would like to request that you consider carefully whether this controversial event is compatible with the good name of the UPR. If it happens that the event has been scheduled illegally, i.e., without the necessary permissions and payment of the standard fee for the use of UPR facilities, we humbly request that urgent measures be taken to cancel this event.

Sincerely,

Alliance of Concerned Professors
